11. Data conflicts and review actions

- **HIGH — Sunday timing:** Current homepage and Programmes: 8:30–11 AM; old /home/ shows 8:50–11 AM; older beta version says 9 AM. Confirm current exact start before launch.
- **HIGH — Friday vigil timing:** Programmes: 9 PM–1 AM; old /home/: 8–11 PM. Confirm.
- **HIGH — Address mismatch with earlier mockups:** Official current site and RCCG North America parish listing use 337 Avon Avenue, Newark NJ 07108; do not use 31–39 Van Buren Street from prior concept images.

- **HIGH — Time zone bug on individual event:** Family Fresh Wine event page labels timezone America/Chicago while physical parish is in Newark, New Jersey (America/New_York). Correct event settings.
- **MEDIUM — Dated archive and banner:** Separate /home/ advertises Cross Over Service into 2023; avoid migrating stale promotions.
- **MEDIUM — Sermon archive freshness:** Visible sermon index has 2023 posts, though homepage features a 2026-11-04 service video; create modern integration with current YouTube content.
- **MEDIUM — Ministry naming mismatch:** Current homepage uses Kingdom Builders / Kingdom Pillars while Ministries page uses Kingdom Men / Women Fellowship. Confirm canonical names.
- **MEDIUM — Redundant forms:** Workers in Training displayed twice; Newcomers card still says 2023.
- **MEDIUM — Pastor/leadership data age:** Church leadership page was crawled in an older snapshot; verify office holders and photographs before publishing.
- **MEDIUM — Giving security:** Only reuse official card processor, verified Zelle and SMS routes, with updated payment/receipting policies.
- **LOW — Links and availability:** About, Gallery, registration, prayer and ride pages intermittently time out or are protected; validate all destinations in production.
